MEMO – CEDAR FALLS CAMPGROUND COVID-19 DELAY

Dear Cedar Falls Campers,

Due to the ongoing COVID-19 pandemic, WVIC has made the decision to indefinitely DELAY the opening of the campground originally scheduled for April 30th, 2020. Due to the fluidity of this situation, there is no definitive date for the opening of the campground. We apologize for this inconvenience but believe this is the best course of action to protect our staff and the patrons of the campground.

As you know, visitors travel from all around the state and out of state to spend time at the Cedar Falls Campground. By opening the campground, WVIC would be encouraging non-essential travel and potentially contributing to the spread of COVID-19. In an effort to support the Governor's "[Safer at Home](#)" order as well as Oneida County's [Advisory to Seasonal and Second Homeowners](#), the campground will remain closed until further notice.

WVIC will continue to gather and assess all available information from the State of Wisconsin and Department of Health Services (DHS), the United States Centers for Disease Control (CDC) and county level recommendations to determine if and when we can safely open the campground for the 2020 season.

Seasonal Campers will receive a prorated refund of yearly costs based on the length of this delay. The amount of this refund will be determined following a final decision on opening date or potential complete closure of the campground. Campers stored for the winter at the site will be allowed to remain at no charge until the campground is opened.

Please visit wvic.com for updates on the status of the Cedar Falls Campground. For direct questions, please call 715-848-2976 ext. 308.

Thank you,

WVIC Staff
