2025 WVIC General Scholarship Application Questions

- 1. In 400-600 words - describe the educational area of interest you intend to pursue, including the institution you plan to attend. Include what influenced you to select this area of interest and your short and long-term career goals and objectives.**
- 2. In an outline format - list any educational clubs, activities, honors, awards, offices held, extracurricular activities, volunteerism, community activities, and any job or work experiences you have been involved with since beginning high school.**
- 3. Please write a 200–300-word statement describing any knowledge, experiences, or connections you may have with the land, water, or resources within or around WVIC’s reservoir system.**
- 4. Feel free to include anything else about yourself you think will assist the WVIC Scholarship Committee during the selection process.**
